Cancel our plans, honey—we’re staying in! This showstopper of a home is an entertainer’s dream, featuring a chef’s kitchen with a massive granite island that’s perfect for hosting. The four-season sunroom offers stunning lake views and is ideal for BBQs, casual dinners, or simply unwinding in comfort. Inside, the main floor has thoughtful touches like a custom dog wash in the laundry room and a formal dining room just off the kitchen—perfect for family dinners or elegant gatherings. Upstairs, the primary suite includes a walk-in closet fit for a fashionista, while two additional bedrooms share a cozy family room that’s perfect for movie nights. The basement is nothing short of spectacular: a wet bar, walk-in wine room, billiards room, and a private hot tub space make it the ultimate retreat. And don’t miss the bathroom sauna—a luxurious finishing touch. Step outside to a walk-out lot with direct access to the lake.
